School Summary Result

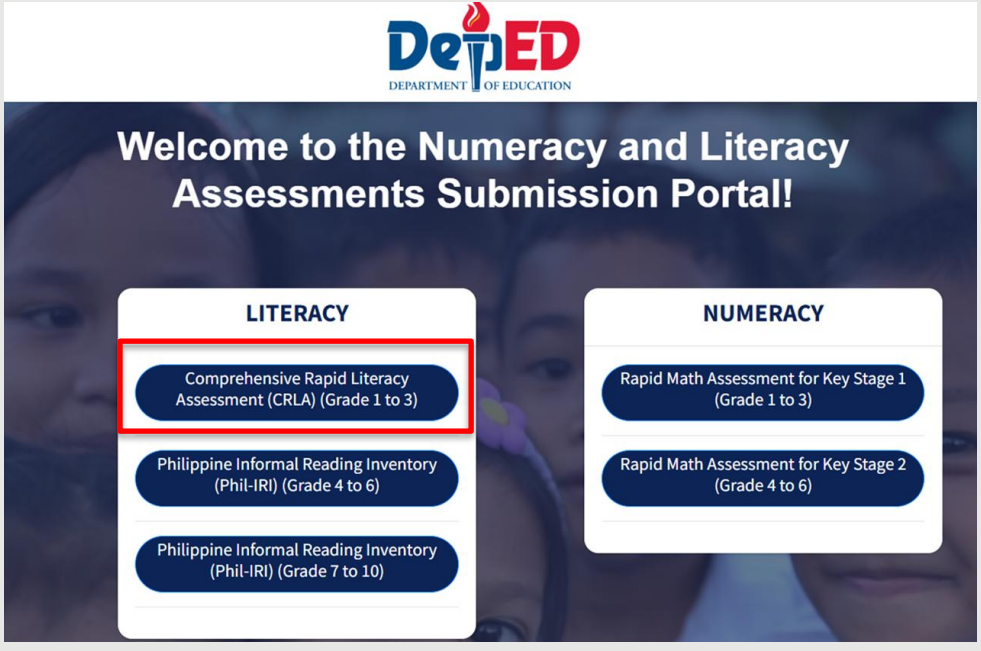

School CRLA Dashboard

The class results will be automatically consolidated, and a school summary result, along with a CRLA dashboard, will be provided.

Submission of CRLA Result Online

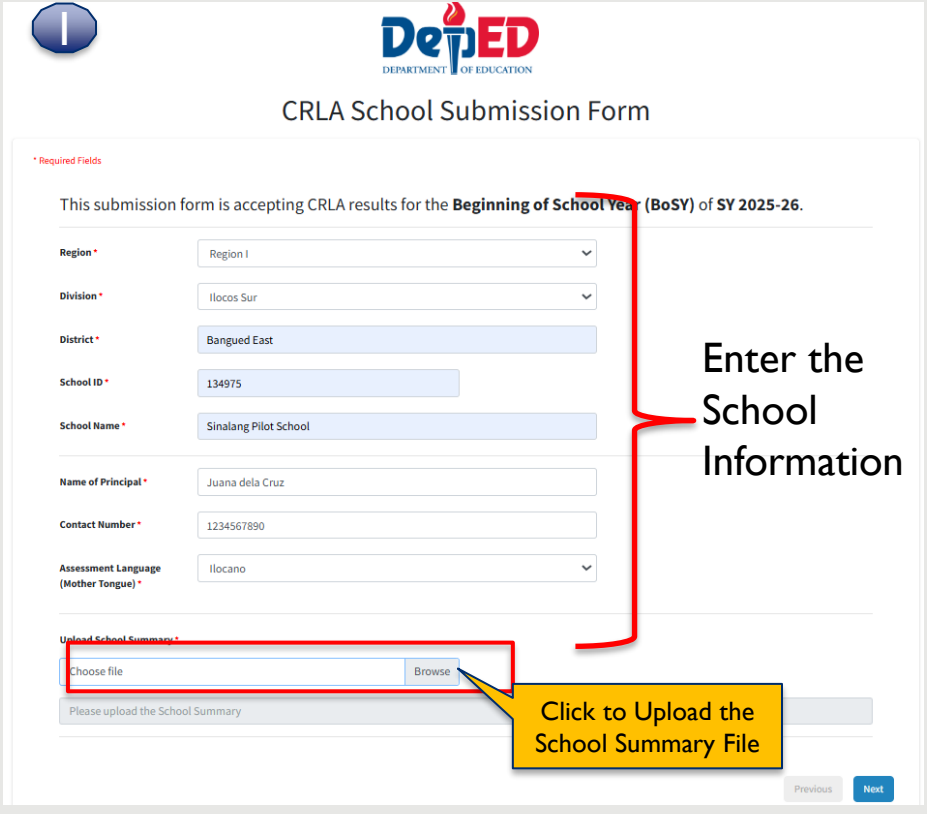

- School CRLA results should be submitted online to facilitate the consolidation of divisional and regional data
- Link to Online Submission Portal : **https://bld.deped.gov.ph/submission**

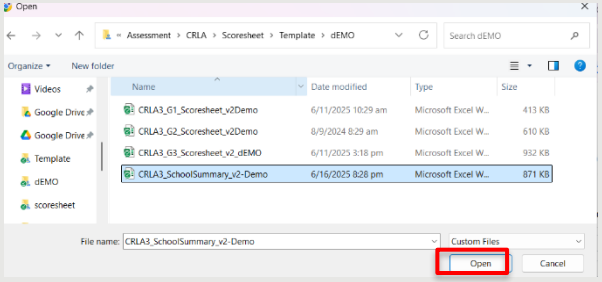

- There will be a submission portal for all assessments
- Manual encoding of results is no longer required. Schools will now upload the School Summary Excel file, and the Submission Form will automatically extract the data.
  - Ensuring the use of the correct School Summary template.
  - Detecting incorrect School ID entered
  - Preventing the submission of School Summaries with errors
  - Disallowing submission of School Summaries without data
